

BetDeEx Terms of Service

The **Era Swap Foundation OU** is a group of developers and technology professionals who are passionate about the potential of decentralized applications. It does not own or lead the **BetDeEx** ("BetDeEx "), but rather supports and develops the free, open-source & decentralized applications. www.betdeex.com

Era Swap Foundation OU makes no warranties or representations, express or implied, on products offered through the platform. It accepts no liability for any damages or losses, however caused, in connection with the use of, or on the reliance of decentralized application, products or related services. The **Era Swap Foundation OU** has no role in the operation of markets created on BetDeEx, and does not have the ability to spend funds that are held in escrow on-contract, does not control how markets resolve or are created, does not approve or reject trades or other transactions on the network, and do not have the ability to modify, cancel, undo, or interact with orders on the network. The **Era Swap Foundation OU** has no power to censor, restrict, or curate markets, orders, trades, positions or resolutions on the **BetDeEx** contracts. The **Era Swap Foundation OU** has no more control over the BetDeEx protocol than anyone else using Ethereum. **Era Swap Foundation OU** is not a bank or financial institution and does not provide investment or financial advice or consulting services to users.

In no way are the owners of, or contributors to, the Website responsible for the actions, decisions, or other behavior has taken or not taken by the user in reliance upon the Website. Users not authorized and nor should they rely on the Website for any legal advice, business advice, or advice of any kind. Users should act at their own risk in reliance on the contents of the Web interface.

BetDeEx is a DApp that refers to a suite of protocols using a decentralized application.

BetDeEx is a decentralized application that runs on a P2P network of computers. **BetDeEx** uses the Ethereum Virtual Machine ("EVM"), which can execute code of arbitrary algorithmic complexity. **BetDeEx** uses distributed ledger technology which is neither stored in a centralized location nor managed by any single entity.

The distribution of prediction prize or winnings is completely governed by **BetDeEx smart contract** as per the predefined rules which are system driven & by the user itself. No organization, institute, human or personnel intervention is authorized to control or alter or modify the system driven software

Important Guidelines for Users about BetDeEx DAPP

1. The user should carefully review the smart contract & website content of BetDeEx DApp to familiarize with the Smart Contract prediction logics.
2. The User should understand, acknowledge that prediction in BetDeEx are subject to market risks and no assurance on the valuation & its returns since it depends solely on the user itself & distribution is governed by DApp.
3. Users should read carefully about the prediction events and completely understands the risk factors associated with the prediction on the date of the transaction and thereafter. The user should consider their specific requirements before choosing any prediction or events with BetDeEx DApp.
4. Users are advised that the participating in prediction or event in BetDeEx is based and dependent on the submission of information by the user and the User shall be solely

responsible for any submission of incorrect or non-submission/omission of necessary and accurate information. The User confirms and believes that transaction/s undertaken is/are appropriate for the User as per the objective of the User.

5. The User should confirm that the decision for participating in prediction or events, claiming or undertaking any transaction on the BetDeEx is taken with complete knowledge & ownership with the user itself.
6. The User should recognize participating in prediction or events in BetDeEx involves certain risks and will take full cognizance of and understand all of the risk factors related before participating in BetDeEx.
7. BetDeEx does not give any guaranteed returns in FIAT or crypto. Please read the BetDeEx website content & smart contracts and do your research before proceeding.
8. The User should understand and accept complete responsibility & liability for any damages or losses, however, caused, in connection with the participating in prediction or events in BetDeEx, use of, or on the reliance of DApp.
9. Do not participate in participating in prediction or events in BetDeEx where one or more people offer you a guaranteed return in exchange for placing prediction. The result is that usually a lot of people lose a lot. Guarantee is given on something which you control or hold. BetDeEx smart contract holds total prediction tokens. Thus the guarantee can be given by Smart Contract as they hold all the tokens which will be released to winners as per Logics in the smart contract.
10. Era Swap Foundation OU OU doesn't guarantee any Fiat or Crypto because Era Swap doesn't control any Fiat or any other cryptocurrency. Era Swap token (ES) can only be used in the Eco System. ES cannot be used outside the Era swap Ecosystem.
11. The User can claim prediction winnings based on the prediction results in BetDeEx. In this case, only, the user can withdraw prediction winnings from BetDeEx smart contract. The users will be solely responsible for claiming the prediction winnings from the smart contract.
12. Phishing websites often go hand-in-hand with phishing emails. Phishing emails can link to a replica website designed to steal login credentials or prompt one to install malware.

Do not install software or log in to a website unless you are 100% sure it isn't a fake one. Phishing websites may also appear as sponsored results on search engines or in-app marketplaces used by mobile devices. Be wary that you aren't downloading a fake app or clicking a sponsored link to a fake website. It is completely on User's risk and the user is only liable for any such activity.

1. The creators of BetDeEx DApp have the right to upgrade the software as per requirement time to time, enhance the features for better users experience, bring in better suitable and innovative Technology and Blockchain versions, perform changes and improvisation in case of unforeseen technology glitch

Arbitration and Governing Law

You agree to submit any dispute arising out of or relating to these Terms of Use or the use of the Website, including disputes arising from or related to the interpretation, violation, invalidity, non-performance, or termination of these Terms of Use, to final and binding arbitration in accordance with the Rules of the Arbitration Court of the Estonian Chamber of Commerce and Industry in force on the date on which the notice of arbitration is submitted in accordance with these rules. The number of arbitrators shall be one, the seat of arbitration shall be the city of Tallinn in

Estonia, and the arbitral proceedings shall be conducted in English. You agree to arbitrate in your capacity only - not as a representative or member of a class - and you expressly waive any right to file a class action or seek relief on a class-action basis. Furthermore, unless you and the company agree in writing, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or a class proceeding. All arbitration proceedings are strictly confidential unless both you and The Company agree otherwise in writing. These Terms of Use will be governed by and construed under the laws of Estonia, without giving effect to its conflict of law's provisions. You agree that the Company may, without further notice to you, record any telephonic communications between you and any Company personnel and agree that such conversations are admissible as evidence in any dispute between us.

Release and Indemnification

You agree to defend, indemnify, and hold harmless the Company, its affiliates, licensors, and service providers, and its and their respective officers, directors, employees, contractors, agents, licensors, suppliers, successors, and assigns from and against any third-party claims, liabilities, damages, judgments, awards, losses, costs, expenses, or fees (including reasonable attorneys' fees) arising out of or relating to:

(a) your violation of these Terms of Use;
(b) your use of the BetDeEx Platform, including use that results in any Transactions using any token transactions & token lending protocols;

(c) any User Submissions made by you; or

(d) your violation of any other party's rights or applicable law.

If you have a dispute with any counterparty to any Transaction you enter into through BetDeEx Platform, you release the Company, its affiliates, and service providers, and each of their respective officers, directors, agents, employees, and representatives from any claims, demands, and damages (actual, consequential, or otherwise) of every kind and nature arising out of or connected with such disputes.

Transaction Maintenance

You are solely responsible for maintaining your private keys and monitoring the Transactions on the underlying protocols. We are not responsible for your failure to adequately monitor your Transactions and Loans, which may result in your failure to make timely payments and the loss of collateral. We are also not responsible for any failures on the underlying protocols or the Ethereum blockchain, including, but not limited to, network failures, inaccurate price feeds, coding errors or hacking attempts, which may result in your losing any or all of the tokens that are part of the Transactions you entered through BetDeEx Platform. We have no obligation to send you any notifications, including reminders regarding payment or collateral status. You should not rely on any such notifications, if any, and your reliance on any such communications from us is at your own risk.

Use of Information Provided by You

We can use User Submissions to contact you about our products or services. We will use User Submissions following our Privacy Policy. You understand, represent and agree that any User Submission is submitted voluntarily and is not confidential or proprietary and that your User Submission does not establish a relationship between you and us. You grant the Company and its sub-licensees a worldwide, royalty-free, non-exclusive, transferable, perpetual and irrevocable license to use, commercialize and implement the ideas contained in, distribute, transmit, reproduce, modify, publish, translate, publicly perform and display and create

derivative works of your User Submissions, except as otherwise prohibited by applicable law or these Terms of Use. You waive any right to compensation of any type for your User Submissions. You represent and warrant that you have all of the rights necessary to grant the rights in this Section and that the use of User Submissions by us does not violate any law. You may not post to, distribute, or otherwise publish through the Website any content that is libelous, defamatory, obscene, threatening, invasive of privacy or publicity rights, abusive, illegal, or otherwise objectionable, or that may constitute or encourage a criminal offense, violate the rights of any party or that may otherwise give rise to liability or violate any law.

BetDeEx Platform

The **Era Swap Foundation OU** provides platform ("BetDeEx Platform") to access certain smart contracts and protocols on the Ethereum blockchain, including token lending protocols and other protocols. However, the Company:

- (a) is not a party to any contract, including any debt agreements, entered into by users of BetDeEx Platform;
- (b) does not act as a lender or make loans through use of BetDeEx Platform, the Website, or any token lending protocols;
- (c) is not a regulated marketplace, exchange, or intermediary of any kind; and
- (d) except as outlined in these Terms of Use, does not otherwise enter into any agreements with or commit to any obligations to any user of the BetDeEx Platform or Website.

We do not own or control the underlying software protocols which govern the origination and funding of loans related to transactions entered into through the BetDeEx Platform ("Transactions"). By using BetDeEx Platform, you acknowledge and agree that:

- (i) We do not take responsibility for operations of the underlying protocols and that we make no guarantee of their functionality, security, or availability and
- (ii) The underlying protocols are subject to changes in operating rules and that such changes may materially affect the value and function of the related Transactions.
